

ONE PAGER

Smart Valley is a decentralized platform of innovations that brings together Backers, Projects and Experts into a professional community where all members are united by the same purpose - to create cutting-edge technologies.

OPPORTUNITIES FOR THE ECOSYSTEM PARTICIPANTS

For Backers:

- Protection ensured at every step of operation
- Opportunity to support high quality projects
- Involvement into a smart community of experts
- Protection against scam and errors
- Independent opinion of experts community, potential consumers (wisdom of crowd)

For Projects:

- Opportunity to launch a free ICO (if the project score is high)
- Feedback from experts community that will increase chance for success
- Opportunity to order services from contractors few times cheaper thanks to uberisation
- Backer Tool and support
- International market penetration thanks to global community

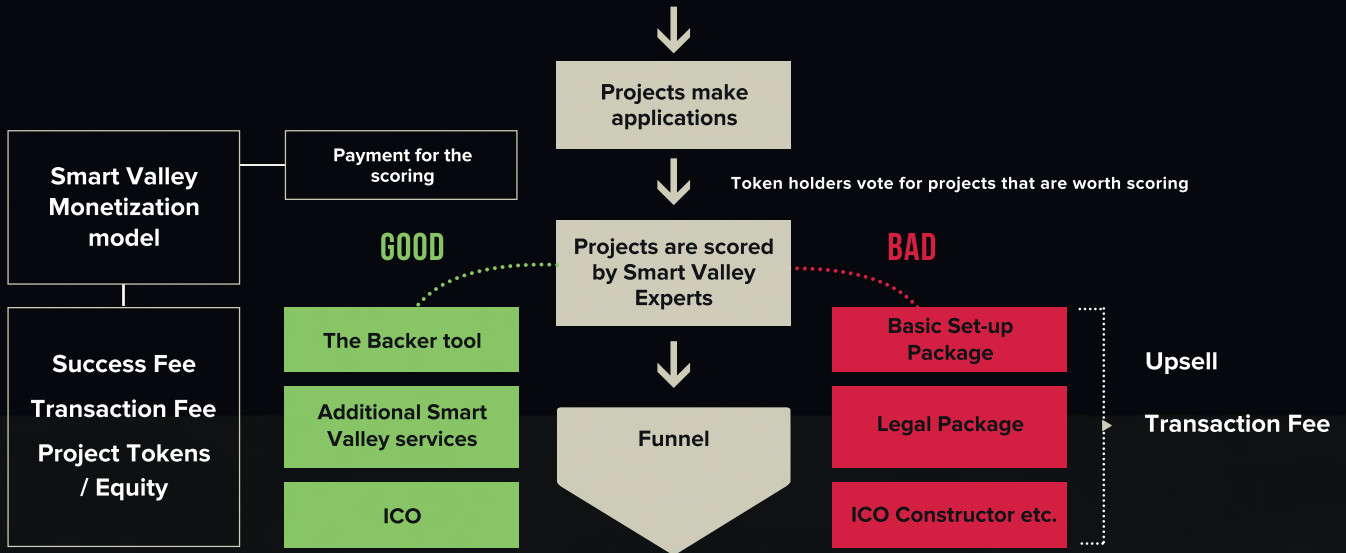

For Experts:

- Regular payment for scoring project
- To increase expertise
- To become a part of the recognized expert community
- To become an advisor of a high potential project
- To participate in the projects of interest

For Governments:

- Scoring projects at governmental level
- Worldwide transfer of Blockchain technology
- Online & Offline hub (accelerator, co-working)
- Best Blockchain teams engagement in government projects
- Protection from scam and fraud
